OUR STORY

We have lived the majority of our married life with a dream of having a restaurant of our own. Our concept was based on only having four dishes, consisting of beef, poultry, seafood and a vegan dish.

The concept was further developed by adding four small plates to enjoy as appetizers. Our four mains are beautifully curated dishes, accompanied by a choice of four delicious sides.

Naturally, we needed to have dessert, so added four desserts.

Our stoep snacks come from the culture of sitting on a veranda enjoying something to nibble on while sipping on a fine wine.

Stoep /stu:p/

"a small porch" comes from the Dutch word stoep, meaning step/sidewalk, pronounced the same as the English word "stoop".

The menu was refined by a private chef, who we have been inspired by, time and time again, Wynand Van Rooyen.

Our wine list is curated by our favourite wine sommelier and industry expert, Charles Pohl.

Our restaurant name: The Four.

Then we found this beautiful space you're sitting in and because of Stellenbosch's rich Dutch heritage, we thought it would be fitting to give our restaurant a name that resonates with the town's culture and heritage; and so, De Vier was born.

We hope you enjoy your dining experience with us and
thank you for being here!

The Private Collection Wines

The private collection wines are one of a kind wines, produced from unique, single block vineyards, from some of the best vineyards in the Cape Winelands. These wines will never be produced again and only 60 bottles are produced for each member.

De Vier Restaurant has been a member for two years, meaning there are two wines available.

The first year's edition is a Bordeaux-style blend, produced from vineyards on the Simonsberg Mountain slopes, just four kilometres outside of Stellenbosch. The estate is right in the heart of South Africa's most revered wine appellation.

The second edition is a stellar Cabernet Sauvignon from the Helderberg region, known for its excellent terroir and synonymous to Cabernet Sauvignon.
